New 4x4 Winter Trails

December 1 - March 15 only

- Year Round Quad Trail
- - - - New 4x4 Trail (Open December 1 - March 15)

On the trail you will see:

4x4 Winter Trail designation

Trail use is authorized by all non-motorized and motorized vehicles

ALL USERS MUST:

- Stay on designated trails
- Avoid using the area when it is wet or muddy
- Avoid crossing waterways that have thin or broken ice surface

Refer to Ghost FLUZ brochure for more information.

(New map info to be included in next edition)

This project is recommended by the Ghost Stewardship Monitoring Group.

Help Sustain our Winter Trails

OHV users like you have committed to ensuring the environmental integrity of winter OHV trails. If you see damage to trail surfaces, directional signs, surrounding land or aquatic habitat, please note the location (using GPS coordinates or the closest trail marker for reference) and contact Sustainable Resource Development on week days to facilitate their repair.
